## CALL FOR PAPERS

# **Special Session: Bioinformatics and Computational Biology**

Dear colleagues,

The organizers of the Third Edition of the Special Session in Bioinformatics and computational biology "(B&CB)" to be held at ROPEC2021 invite you to submit papers on any topic related to B&CB; however, the following topics are of particular interest:

- Machine learning in B&CB
- Genetic Algorithms in B&CB
- Pattern Recognition in B&CB
- Network Analysis in B&CB
- Neural Networks in B&CB
- Other Computational Aproaches to Solve Problems in B&CB
- Computational Resources (Software and Web Services) in B&CB
- Data Mining and Natural Lenguage Procesing in B&CB

Submitted papers should adhere to the specifications in ROPEC 2021 author guidelines. Each submission to the special session will undergo the same revision process as papers submitted to ROPEC 2021. Submission implies the willingness of at least one of the authors to register and to present the communication at the conference, if it is accepted. All accepted papers will be published in a CD and the proceedings will be indexed by IEEExplore.

### **IMPORTANT DATES:**

- July 23, 2021: Full paper submission
- September 20, 2021: Acceptance Notification
- October 4, 2021: Final paper submission.
- Updates in https://ropec.org/

## Paper submission:

The paper title, as well as the abstract, have to be in English, and the body of the paper either English or Spanish and is limited to 6 pages. The mandatory templates to be used in order to submit your contributions can be downloaded from the following link: <a href="https://ropec.org/call-for-papers/">https://ropec.org/call-for-papers/</a>
Papers must be submitted in PDF format using easychair for the reviewing process. Please Log in at: <a href="https://easychair.org/conferences/?conf=ropec21">https://easychair.org/conferences/?conf=ropec21</a>
